

Cross-State College in High School Workshop

June 29 – July 1
Virtual Event

Each day will begin in the following Webex room: <https://jff.webex.com/meet/mmartin>

AGENDA

Workshop Goals:

- Provide a forum for state teams to collaborate on advancing equity and quality in policy for college in high school programs to ensure more students have access to high quality programs.
- Provide time for the state teams to collaborate among themselves.
- State teams leave convening with key takeaways and specific next steps to advance their goal(s) against the conference theme(s).
- Kickoff technical assistance programming for selected states.

Workshop Themes:

- Assessing impact of the COVID-19 pandemic – Provide space for reflection on how the pandemic impacted states' college in high school programs and surface solutions necessary to minimize ongoing and future impacts.
- Prioritizing equity – Provide state teams with the tools necessary to set an equity goal for college in high school program participation and success for their state.
- Optimizing governance of college in high school programs – Examine states' existing governance structures for college in high school programs, and develop ideas or recommendations for ensuring sustainability, expansion, quality and equity.
