

Cross-State College in High School Workshop

March 25-26, 2020

AGENDA

WORKSHOP GOALS

- Leverage *Unlocking Potential* to help states assess their current college in high school policies.
- Provide targeted support to each participating state as they seek to develop these policies further.
- Provide peer-to-peer learning opportunities across state teams.
- Ensure state teams leave the workshop with concrete next steps and an action plan to further dual enrollment policy in their state.

WEBEX HELP

When logging in to WebEx, please log in on your computer before calling in so you can enter your personal attendee number and connect your audio to your web login. You can also access audio directly through your computer, if you prefer. Headphones are highly recommended either way, to ensure high-quality audio.

If you need assistance, please contact:

- **WebEx's Toll-Free Support line: 1 (866) 229-3239**
- Main JFF support person: Grace Ausick, gausick@jff.org or (857) 303-0629 (ok to call or text)

The WebEx support line will be most helpful with any tech issues, but please keep Grace up-to-date on your status on March 25 and 26 if you are experiencing any problems. She can also pull in the JFF IT team as needed.

WEDNESDAY, MARCH 25, 2020

1:00–2:00 PM EST

STATE TEAM TIME

State teams to come together and reflect on what they learned from the pre-recordings, determine goals for the workshop, reflect on their state's progress across all of the six categories of *Unlocking Potential*, and talk through opportunities and challenges in their state.

Log in information for each state is noted on the next page.
